COMEDIAN

United States Air Force Colonel (retired) | 1993 - 2018

C-27 Aircraft Commander

- First and only female pilot
- Buzzed triple canopy jungles in Central and South America
- Delivered freedom, 3 pallets at a time, in the *ever-accepting* land of machismo (sarcasm font)

C-5 Instructor / Aircraft Commander

- Largest aircraft in Air Force inventory
- Walked away from every landing around the globe
- Single-handedly induced vomiting in 7 Marines during in-air refueling mission over Africa

Tanker Airlift Control Element Instructor / Commander

- Converted austere fields into airlift hubs
- First on ground in Uzbekistan after 9/11 attacks
- Startled Northern Alliance soldier as female commander of Afghanistan airfield survey team

Keynotes and Workshops:

- Fight For Centerline - Defining, Assessing and Adjusting for the Centerlines of Our Life
- The Internal Combustion Engine of Anything - Slowing Down to Speed Up
- Past, Future, Present - Doing More by NOT Multi-Tasking
- Permission to Play - Recess is Wasted on the Young
